

Research Collaboration

Faculty Name	Collaborating with (Research/ Institute)	Nature of work
Dipti Jadhav	Dr. Udhav Bhosale, Principal, RGIT, Mumbai	Research work and paper published in ELSEVEIR: Video Summarization using Higher Order Color Moments (VSUHCM)
Dipti Jadhav	Dr. Udhav Bhosale, Principal, RGIT, Mumbai Ponam Sonar, Research Scholar, RGIT	Research work and paper published in IEEE (ICCSP): Optimized association rules using objective function for mammography image classification
Anitha Senathi, Dipti Jadhav	Dr. Gopika Vinod, Head of Reactor Division, BARC	Research work and paper published in Springer: Fuzzy based ranking of software reliability measures
Anitha Senathi, Dipti Jadhav	Dr. Gopika Vinod, Head of Reactor Division, BARC	Research work and paper published in ITESM-2015: Methodology for Predicting Software Reliability Based on Software Measures
Anitha Senathi, Dipti Jadhav	Dr. Gopika Vinod, Head of Reactor Division, BARC	Research work and paper published in ICCCT 2015: Software Reliability based on Software Measures applying Bayesian Technique
