

Workshops Conducted

Sr. No	Topic	No. of Days	No. of Participants	Year	Resource person	Impact
1	Faculty Development Program on “Machine Learning for Data Science and Analytics”	6	60	2017-18	Mr. Chandan Verma Dr. Manoj Chaudhary	Participants performed hands on session using python and anaconda for implementing machine learning algorithms
2	Training on “Latex”	2	95	2017-18	Mr. Swapnil Shinde Ms. Neelam Panse Ms. Samundiswary S Ms. Sneha Shete	Participants learnt Latex tool for project report writing.
3	Workshop on Core Java	1	100	2017-2018	Mr. Sachin Bhopi, Ms. Varsha Sanap	The participants in experienced hands-on to explore and learn core java.
4	Workshop on VHDL	1	75	2017-2018	Mrs. Sumedha Bhagwat Mrs. Soumi Banerjee Mrs. Ashwini Chavan	Participants learned the Design of logic circuit, Universal and Combinational circuits using VHDL simulator.
5	Workshop on “Introduction to Python”	2	100	2016-2017	Mrs. Kshipra Tatkare Mrs. Jyoti Kundale and Industry expert Mrs. PradnyaMhatre, Senior software Engineer, Harman Connected Services	Workshop was a hands-on experience. . The participants learned precise knowledge and skill to create adequate projects in Python
6	Training on “Latex”	2	70	2016-2017	Mr. Swapnil Shinde Ms. VarshaSanap Mr. Sachin Bhopi Ms. Neelam Panse	Participants learnt Latex tool for project report writing.
7	Workshop “Big Data and Hadoop”	2	58	2015-2016	Mr. Mehul Chopra	Participants learnt about Big Data basics and Hadoop, NOSQL programming.

8	Training on “Latex: Report Writing Tool”	2	75	2015-2016	Mr.Swapnil Shinde Ms.Neelam Panse Ms. Kshipra Tatkare	Participants learnt Latex tool for Final Year project report writing.
9	FDP “Research Advances in IOT”	5	60	2015-2016	Amol Dhumane HiteshPanjwani Parikshit Mahalle	The participants got the insights of IoT. The Participants also got knowledge of current trends with respect to Challenges and Research in IoT.
10	Training Program on “GSM and Bluetooth Trainer kit”	1	30	2015-2016	MUM Lab	Participants learnt Simulation based on remote control access
12	Training on “Android Development”	2	100	2014-2015	Mr. Javed Khatari Ms.Soumi Bannerjee Ms. Anita Patil Ms. Vijaylaxmi Bittal Mr. Dhaval Chavda	
13	ISTE approved one week STTP on “Network Security and Digital Forensics	5	55	2014-2015	Sachin Dedhia Ramesh Oganina	The Participants were given hands on experience on various network security and digital forensics tools.
14	Hands-on session on “Linux”	2	120	2014-2015	Prof. Dayanand Ambavade,	Students learnt basic commands in Linux and its significance as Open Source Technology
